ARMED (1964)

From: AMSTERDAM

To: LONDON

Re: 341

1 Feb. 64

To: VICTOR(1).

Documents containing information required for the identification of
"ARMED" (11), were sent by the diplomatic mail of 21st December 1964 (sic),
No. 474. On 21st January with

(33 groups unrecovered)

(19 groups unrecoverable)

was in MOSCOW, LINDENHAY and KHAR'KOV. He stayed two weeks in KHAR'KOV
with VOROB'EV (11), the doctor who examined LENIN's body

(6 groups unrecovered)

in the face of public opinion in SWEDEN at the height of the winter war against
the Finns, he joined the Swedish-Soviet Society.

DISTRIBUTION

3/10/75

[29 groups unrecovered]

[66 groups unrecoverable]

meeting with ARMAN[19] took place [20 on the pretext of] discovering ARNOLD's opinion on the LATTY (H² affair). He promised to write [1 group unrecovered] conclusions. It was agreed to keep the meeting [C² a secret] and arrangements were made for a fresh meeting. We shall continue investigation [H² with a view to recruitment]; however it needs to be borne in mind that a [H² professor of philosophy of the Swedish [H² Institute]

[14 groups unrecovered]

Investigation [2 groups unrecovered] is made more difficult by the fact that ARNOLD is in STOCKHOLM about five days a month and [H² while there] must be available at any moment.

No. 51

VALERIAN[19]
